

A COMPLETE INTRODUCTION TO SLIDE GUITAR

Slide guitar perfectly captures the soul of the blues. From the low down gritty growl of the bass notes to the sweet soaring slides high up the neck this style of guitar playing brings the blues to life!

This DVD will teach you all the techniques needed to get you the sounds of the Delta Players. As Dave takes you through the basics you'll learn open tunings, blues rhythms, damping, muting, even how to choose a slide.

Dave covers every aspect of playing slide from getting a clean sound all the way through 3 complete songs. Using the techniques from his DVD you'll soon be playing slide guitar like the masters of the blues!

This DVD uses split screens, and slow versions of the songs to ensure a clear understanding of the material. You'll find it easy and fun to play as you move into the world of slide guitar.

By using split screens and close ups, this DVD provides great detail to students of all levels.

Dave Mullany has been playing since 1968 and has performed shows with such legends as Muddy Waters, Sonny Terry & Brownie McGee, Jerry Garcia, and Bo Diddley. Dave's skill as a teacher has allowed him to work with such great players as Woody Mann, John Renbourn, John Cephas, Bob Brozman, Mike Dowling and Pat Donahue. After 13 years playing in NYC, Dave moved to Portland, OR where he now spends his time teaching guitar and performing in the northwest.

"As a teacher, Dave has the gift of being able to impart his own knowledge..in a clear and practical way."

—Woody Mann
